

PRE-OWNED CAR RATINGS APRIL - JUNE 2023

These lists compare safety features fitted to the model when it was sold as new, but cannot compare individual units. Performance of the safety features of an example depends on factors including but not limited to crash history, product recalls, etc.

Variant information		Overall Rating	Safe Behaviour <i>features that encourage safe behaviours</i>					Emergency Intervention <i>systems that alert the driver of an imminent crash or intervene</i>					Occupant Restraint <i>systems that protect occupants from the risk of injury arising from contacting the vehicle interior during a crash. For crashworthiness ratings visit Global NCAP at www.globalncap.org/safecarsforindia.</i>
