

PRE-OWNED CAR RATINGS  
OCTOBER - DECEMBER 2023

These lists compare safety features fitted to car models when sold as new, but performance of the safety features of an example depends on factors including but not limited to crash history, product recalls, etc.

| Variant information |              | Overall Rating  | Safe Behaviour<br><i>features that encourage safe behaviours</i> |          |                |              |          | Emergency Intervention<br><i>systems that alert the driver of an imminent crash or intervene</i> |                   |     |      |          | Occupant Restraint<br><i>systems that protect occupants from the risk of injury arising from contacting the vehicle interior during a crash.
