

## PRE-OWNED CAR RATINGS

APRIL — JUNE 2024

These lists compare safety features fitted to the model when it was sold as new, but cannot compare individual examples. Performance of the safety features of a unit may vary based on factors including but not limited to crash history, product recalls, etc. Use this information at your own risk; the authors cannot take responsibility for any consequences of errors in this document.

Variant Information		Result		Safe Behaviour <i>features that encourage safe behaviours</i>							Emergency Intervention <i>systems that alert the driver of an imminent crash or intervene</i>				Occupant Protection <i>systems that reduce the risk of serious life-threatening injury to adult occupants in a crash</i>
